

## IARS Research Excellence Award - 2024

### Announcement

The Indian Association for Reliability and Statistics is pleased to announce the “**IARS Research Excellence Award - 2024**” for outstanding contributions in the fields of “**Statistics, Reliability Theory & Modeling, Applied Mathematics, Operations Research, and Data Science**”. This prestigious award recognizes the dedication, innovation, and scholarly impact of researchers who have made significant advancements in these disciplines.

The award is aimed at encouraging high-quality research, fostering collaboration, and promoting the development of novel methodologies in these key areas. It is open to researchers worldwide, and nominations are invited for individuals whose work has had a profound impact on both academic and practical applications.

#### **Eligibility:**

- Open to researchers from academia, industry, and research institutions.
- Candidates must have made significant, original contributions to the fields mentioned above.
- The candidates should not be below the age of 40 years on the last date of nominations.

#### **Nomination Process:**

- Nominations must be submitted with a detailed research summary and any supporting documents or publications.
- Nominations can be made by the nominee or a fellow researcher familiar with the nominee’s work.

Deadline for Nominations: **December 15, 2024**

For more details and to submit your nominations, please visit <https://www.iars.co.in/> or contact E-mail: [sc\\_malik@rediffmail.com](mailto:sc_malik@rediffmail.com).

We encourage all researchers to apply and contribute to the advancement of these vital fields.

**Note: The awardees will be honored at the IARS Annual General Body Meeting, to be held in February/March 2025.**

Warm regards,

(Prof. S.C. Malik)  
President IARS
